

North Georgia Community Foundation Non-Profit Lunch & Learn

MONEY and NON-PROFITS

"How to Get It," "How to Record It" and "How to Stay Out of Trouble"

Presented by: Blair C. Diaz, CPA

Fundraising lies at the heart of nonprofit work. How does your organization raise the funds needed to operate and provide services?

- Do you engage in fundraising efforts through special events?
- Do you receive funding from a grant?
- Does your organization have an endowment fund?
- What about general donations?

Are you comfortable that you are disclosing the proper information to your donors/sponsors? Are you properly accounting for the donation? Are you correctly calculating the amount of the ticket price that can be considered a donation? These are some of the questions that will be answered in this program.

Join us to learn the rules for donor gift reporting and donation recording in your accounting records. You will be provided sample forms and acknowledgement letters to put into practice in your organization.
